

Shallowford Rd Traffic, Bike & Ped Enhancements

The CID is supporting Doraville's effort to improve Shallowford Road from Chamblee-Dunwoody Road to the Doraville MARTA station. The corridor serves a 700-student elementary school, making pedestrian safety a central priority. Planned improvements include a multi-use path, new sidewalks, landscaping, pedestrian lighting, intersection realignment, and upgraded crossings.

Q3 2026 Update:
The project kicked off in September 2024. The Concept Report was approved by GDOT, and environmental review is underway.
